

CONFIDENCE PLEDGE
for girls

Today, I pledge to be confident.

I will love myself just the way I am. I don't need to be anyone but ME!

I will accept others for who they are. I'll tell my friends, family and others that they are perfect just as they are. I will not bully or talk bad about other people. I will treat others as I would want to be treated.

I will have the confidence to stand up for myself and others. I will stay true to my beliefs and say "NO" to people who want me to act differently. I will encourage my friends to stand up for what they believe.

By joining with other girls, I will make the world a better place. I will encourage confidence in myself, my friends, my classmates, my family and others.

I will remember that **I CAN DO ANYTHING!**
